

# the boundless boundless in theatre

## Covid Statement

Whilst we're excited to be able to welcome audiences back to live theatre, we acknowledge our responsibility as an organization and of audiences to ensure that we keep each other as safe as possible.

We ask that you do not attend the performance if you are showing any symptoms or feeling unwell and we recommend that audiences take lateral flow tests 24 hours before attending. Whilst not compulsory, we recommend our audiences to wear facemasks if they are able, and we will do our utmost to keep venues safely ventilated and sanitised.

We will keep our policies up to date with changing government guidelines - so please do check back and get in touch if you have any questions or concerns.

Each venue has its own specific protocol regarding Covid-19 so please view their specific Covid policies.
